Chairman's Remarks

We were very pleased to welcome Julie Stoyle as our new Parish Clerk at the September meeting of the parish council. Julie was brought up in the village, went to Garsington Primary and Wheatley Park schools and has experience of being a parish clerk at Tiddington and Stanton St. John. She can be contacted via the details inside this newsletter.

The village now has a permanent site for its historic records (or archives) in St Mary`s church. With help from the Garsington Society, display boards have also been purchased and it is hoped to organize an exhibition of these records in the near future. Last summer the parish council set up a group to work with the church to explore how the building could be adapted to support a wider range of village activities. This group will need to chase a variety of different grants to achieve its objective, but some momentum has already been achieved with grants from the Wolfson Foundation and others of over £14,000 to proceed with some essential repairs.

On the topic of grants, the proponents of the new village boules pitches have now been awarded a grant from SODC for £2,500 to add to their earlier successful pitch to the Sports Council.

There are a number of places within the village where hedges are encroaching on the highway. This has been causing particular problems for buses and farm vehicles. Please cut your hedges to allow others to use the roads safely.

And finally, everything I said in the last issue about local government re-organisation, has now been paused on "legal advice". There is speculation that the previous secretary of state rushed out the announcement of his decision without due care because he knew he was going to be sacked four days later! The May 2027 local elections therefore, will now be for the existing local authorities.

From the Vicar

Dear Friends

One of the many joys of living and ministering here in Garsington is that creation is never far away. We see it in the hedgerows that shift colour almost overnight, in the fields that change through the seasons, and in the birds whose morning chorus announces each new day. Last month, our church marked both Harvest (with our Harvest Festival Songs of Praise) and a new festival in the church year — a Festival of Creation in Christ — and I'd love to tell you a little more about this festival.

As Christians, we often speak of creation as God's gift, but this new festival invites us to go a step further. It reminds us that creation isn't simply made by Christ; it is held in Christ. The early Christians spoke of Jesus as the One in whom "all things hold together" — the turning of the seasons, the rhythms of growth and decay, the quiet persistence of life even in difficult years. In a village like Garsington, where the land shapes our days more than we sometimes realise, this is not an abstract idea. It is something we see every time a field is ploughed, a garden is tended, a tree is planted, or a child picks up a conker with the kind of delight adults often forget.

The Festival of Creation in Christ is a moment for us to reflect on our place within creation. Not as owners, but as stewards; not as consumers, but as participants in God's ongoing work of renewal. I've heard of farmers who say that caring for the land is one of the most spiritual things they do — not because it's easy, but because it teaches humility, patience, and trust. I've heard similar things from people who tend allotments, who walk the footpaths each morning, or who simply pause

to watch the light change as they look out over the fields. Creation has a way of slowing us down, grounding us, and reminding us that God's presence is woven into the ordinary. This new festival was an opportunity for us to give thanks for the goodness of creation and to reflect on how we can tread more gently on the earth God has entrusted to us. We also acknowledged some of the challenges facing creation today. But above all, the festival is about joy. Joy in the God who delights in what He has made. Joy in the community that gathers to give thanks. Joy in the simple truth that creation is not something we stand apart from — it is the place where God meets us, teaches us, and invites us to see His love in every leaf, every sunrise, every breath.

As we reflect upon creation, and give thanks for the harvest, may God deepen our gratitude for the world around us, strengthen our care for the land we share, and open our eyes to the quiet ways in which Christ holds all things — including us — in His sustaining grace.

I'd like to also take the opportunity, here, to thank those who helped lead Be Space (Prayer Spaces) in Garsington Primary School in July. We will soon be looking for volunteers to help lead Be Space in school in December. Please speak to the school, or to me, if you would like to help. Pupils really enjoy the opportunity to pause, reflect and pray; and our volunteers often enjoy the activities too. Thank you,

With love and prayers,

Tom

News from Garsington Church of England Primary School 2026

We are the new reporters for this edition of the Garsington Newsletter. Our names are Donovan, Mollie, Leo and George.

The term started for us on Thursday 3rd September. Ms d'Archambaud asked us some questions about being back and starting in Year 5.

How do you feel about being back at school?

- Great. We have been learning lots. I have particularly enjoyed maths and rounding numbers up to 10,000!
- It is good because we are learning new things. In English we have been learning about a story called 'This is not a fairy tale'. It is about a man called Luke who climbs up a mountain and is faced with monsters.
- This term is good as I get to see my friends again.
- In Art we have been designing and making Diorama scenes.
- It is also good to see the dogs again (Bonnie and Lollie).
- It has been fun because I love being with my friends. We have so much to do at lunchtimes including football in the MUGA, bas ketball, swingball, sandpit, scooters, tyres and our reading shed.

OCTOBER .

I hear the call of skylarks, and watch the gulls in a
landscape carved out of silence
where red berries colour the twisted hedgerow, and
the last flowers show their faces to the sun.
The breeze quickens, golden leaves twist and swirl covering
the footprints of the one before me as
I cross the brow of the hill.
Dark shadows serrate the fields, finely ploughed,
where the last sunbeams catch the troubled paths ahead.

The days shorten, soon now fires are kindled and
curtains drawn at the trailing edge of Autumn .

Friday Cafe

St Mary's Church

Why not give the Friday Café a try in the Church.
For a nominal amount of 50p you can enjoy fresh ground coffee or a cup of tea and a delicious slice of homemade cake.
The next dates:
Friday 16th October 2026 10am to 12noon
Friday 20th November 2026 10am to 12noon
The Church has a small children's play area, if you are a Mum, Dad, Grandparent or Carer why not come and join us, it would be lovely to see some young people but everyone in the community is most welcome.

Garsington Lunch Club

The monthly lunch club is a non-profit making organisation run by volunteers.

We provide a home cooked main course and a dessert with tea or coffee to finish. Currently costing £5. We have a Food Hygiene rating of five and have recently been inspected.

However, to enable us to provide this monthly lunch we need to cover our costs, this is where you could help. We currently have spaces and would love to see new people join us.

We are a very friendly group, giving you the chance to enjoy a meal with old and new friends. Age is not a factor for coming to the lunch club.
We would like to think that everyone in the community who might be on their own, or couples who would sometimes enjoy a cooked meal they have not prepared, are welcomed. Should you have special Dietary requirements, we are happy to discuss this.

Lunch Club is held on the first Wednesday of the Month, apart from January when we do not run the Lunch Club.
Next Dates;
Wednesday 7th October 2026 – 12.30pm Village Hall
Wednesday 4th November 2026 – 12.30pm Village Hall
What we do ask is that if you are unable to attend and normally do, then please let us know by the Monday of lunch club week, we appreciate that emergencies sometime occur and this is not always possible. Letting us know avoids waste and over catering.

Pews for sale!!

The Parochial Church Council for St Mary's Church has at last received a Faculty (official permission) from the Registrar of the Diocese of Oxford to remove seven more of the nineteenth-century oak pews from the church, and has also agreed the pattern of new chairs we can buy. This will enable us to replace the current older chairs with chairs that are both more in keeping with the church – and more comfortable!

We want to sell these seven oak pews, and will be using the money we receive to help pay for further projects in the church. We know that members of the congregation and village residents have previously expressed interest in buying a pew. The pews vary in length from 1.8m to 2.7m. They are solid oak, the seat planks are 40mm/1½ inches thick: the ends are 80cm high and 42cm wide. All the pews are of the same design – as you can see by visiting the church to see the pews. There is minor damage to some pews, all the pews have been treated for woodworm.

There are two 2.7m pews, four 2.4/2.5m pews (one without back), and one 1.8m pew. We have looked at the comparable prices on websites, so the prices of the available pews are:
£200 for each of the 2.7m pews
£190 for the complete 2.4m pews, £160 for the backless 2.4m pew
£170 for the 1.8m pew:

Please let John Hall (452531, joni_hall@btintetnet.com) or Richard Jeffery (368262, richardj.jeffery@proton.me) know if you would like to buy a pew. You can collect the pew yourself, and we are exploring ways of delivery. Please let us know if you want to buy a pew by Friday 23rd October at the latest. After that date we will be putting the pews on the commercial market: you can buy a pew after that date, but we want to give villagers preference.

GARSINGTON WOMEN'S INSTITUTE

This year has certainly flown by. Thankfully, autumn is a beautiful time of year here, even if it seems a bit melancholy at times. The foliage in brilliant yellows and reds helps lift my spirits, even while the countdown to Christmas can be so depressing. This autumn/winter will be tough for many, especially those struggling to make ends meet.

To do what we can to help, our WI will be collecting food and toiletries for donation to the Community Emergency Food Bank at our next meeting. Food bank usage has increased dramatically in recent years, with some estimates putting that increase as high as 40%. Our next WI meeting on **Wednesday, 14th October at 7:30 pm** is our annual **Open House**. Admission is free on the night. It is an opportunity to come and meet your local WI in a relaxed social setting. Refreshments will be served. Donations to the food bank are not mandatory but much appreciated. For more information as to most critically needed items, check the CEF website at https://www.cefoxford.co.uk/donate-food/ .

Are you a Whovian? Or a Trekkie? Or do you perhaps lean more towards Jedi? In November, our meeting topic will be

"**Science Fiction – An Appreciation**." We will meet on

Wednesday, 11th November at 7:30 pm.

Our Book Group meets the third Tuesday of the month at the Mill View Nursery café in Wheatley. Our next two WI Book Group meetings will be **Tuesday, 20th October and Tuesday, 17th November at 10:30 am.** Our books are sourced at no cost from the public library's reading group service.

Ripping Yarns, our craft and chat group, meets the fourth Wednesday of the month at the Bowler residence on Elm Drive. Our next two meetings will be on **Wednesday, 28th October and Wednesday, 25th November** at 10:00 am. Ladies are welcome to come along to craft or just to chat. Contact Elizabeth at 01865 361766 for location details.

Our regular meetings are on the second Wednesday of the month in the Village Hall at 7:30 pm. Visitors pay £5 admission at the door (except on Open House night) which includes refreshments. We allow 3 visits to try us before asking you to formally join us. For more information, please contact Martha at 01865 361730 or msjgriffiths@btinternet.com, or our Secretary, Angela, at 01865 361530 or amgars@gmail.com or simply show up.

An update from Garsington Sports & Social Club

We were saddened to hear of the passing of Mary Middleton, a long-standing supporter of the Club. Alongside her late husband Ron, Mary organised and attended many events over the years and, more recently, was a valued member of the Senior Citizens Club. The Club would like to extend its sincere condolences to Mary's family and friends at this difficult time.

What's coming up?

Every Wednesday, 2 to 4 pm – Table Tennis

Every 1st and 3rd Tuesday, 2 to 4 pm – Senior Citizens

What's been happening?

On the sporting front... Our Under 8s celebrated a thrilling 6-5 victory in their first home league match of the season, while the team's tuck shop and breakfast bap sales were also a great success, helping to raise funds for the club.

Our new Minis Football sessions have also got off to a fantastic start. The recently launched programme for 4 to 6-year-olds attracted 16 chil-

dren to each of its first two sessions, with both parents and children thoroughly enjoying the new initiative.

The Men's Team are enjoying a strong start to the season, recording three wins from their first four games and currently sitting third in the league table.

The Cricket Club is celebrating back-to-back promotions after a dramatic end to the season. The team secured promotion by winning their final fixtures and getting the results they needed elsewhere. Looking ahead, the section is already planning for next season, strengthening the squad while maintaining the club's strong community spirit and setting its sights on another promotion challenge.

Ladies Darts continues to grow, with the team officially registered for the Winter League and preparing to begin practice sessions ahead of the new season.

The club will also once again host at least two darts competitions this winter, bringing visitors to Garsington and supporting club activities.

On the social side... A big thank you to everyone who exhibited, attended or donated raffle prizes for the Summer Craft Fair, helping to make the event such a success.

Preparations are already underway for several exciting community events, including the Christmas Craft Fair on 22 November and a Silent Disco on 28 November.

An update from Bailor's Field

Thank you to everyone who joined us on Bank Holiday Monday, it was great to show you around the garden and see friends and neighbours enjoying the field (and the cake!). We are now moving into Autumn in the garden, with the tomatoes and courgettes finishing and celeriac, chard, leeks, kale, potatoes and beetroot becoming winter staples, alongside some bitter salad greens on their way. We have enough veg in the garden to see us through until Christmas and a couple of remaining places for new members, so please get in touch at hello@bailorsfield.co.uk if you would like to sign up for a weekly veg bag.

Our volunteering sessions (Tuesdays 12-2) continue to be really popular and so much fun. It is a great opportunity to get some fresh air, meet your neighbours and learn about growing food in a regenerative system. As well as continuing to tend to the market garden, we hope to be planting some trees along the new swale to create a forest garden this winter and planting up the rainwater harvesting ponds. We also need to create a couple more scarecrows if you are feeling creative!

We hope to have an apple press on site in October, so if you have any apples you can bring them along for pressing. Details of this and any other pop up events will be posted on the board outside the field, on our Instagram account (bailors.field) and in our monthly newsletter which you can sign up to via our website – bailors field.

Thank you for supporting local food and local people. I look forward to seeing you in the field.

The Garsington Society

what we do and how to join
All welcome!

By the time you read this, many of you will have enjoyed the **Garsington Society's most recent event: "A Murderess in Garsington."** This was a very well-received showing of a 1996 Channel 4 documentary, featuring several past and present village residents. It told of a seemingly sweet little old lady who lived in Southend and of the unexplained deaths of several wealthy elderly gentlemen of her acquaintance, who apparently made last-minute changes to their wills in her favour.

The Garsington Society welcomes everyone and offers a varied programme, with talks, walks and social events, such as a Twelfth Night party, the Annual Quiz, a Guided Summer Walk, a Barn Dance and often the ever-popular "Wine Bluff".

Membership is £5 per person per year, which covers all talks. We try to make our other events affordable where possible, for example next January's Twelfth Night Party is £1 + "bring and share" a food dish.

We were formed in 1988 to protect the local Green Belt from large-scale, unsuitable development and to preserve the village's rural setting. We still aim to do this. Some of our talks and walks have an environmental or historical theme, both locally and beyond, and talks are often given by local residents.

Our next event is a light-hearted talk: "**Pack Ice, Parkas and Penguins (+ a Polar Plunge!)- memories from a trip to Antarctica" on Wednesday 21st October at 8pm** in the Village Hall. We invite everyone to come to enjoy this and to find out more about our activities.

For any questions and to join our mailing list and hear about upcoming events, please email me at angharadrichard@yahoo.com.
